**Old Fashioned Christmas**

On December 18<sup>th</sup>, the Colton Public Library hosted its third annual Old Fashioned Christmas event. The library welcomed over 100 children and their families. Each child in attendance was invited into our winter wonderland for old fashioned carols and stories of lore. The young library patrons were visited by Santa who provided each child with a special gift. After their visit with Old St. Nick, everyone was invited into the community room for juice and cookies. The event was a festive success! As always the Friends of the Colton Public Library sponsored the event, and special thanks goes to the Eagle Real-estate Group for their generous contribution to the Friends of the Library.
